Dear Lord you are my guiding light: You lead me in your  
way And guide me through the darkest night To  
way And guide me through the darkest night To  
way And guide me through the darkest night To  
your e - ter - nal day, To your e - ter - nal day.  
your e - ter - nal day, To your e - ter - nal day.

2. You're my salvation: from your throne  
You came my soul to heal;  
Your blood you shed, sin to atone,  
God's covenant to seal,  
God's covenant to seal.

3. Lord Jesus, stronghold of my life  
And conqueror of my fears,  
Source of my confidence in strife,  
Who my heart's prayer hears,  
Who my heart's prayer hears:

4. Come shed your light on all mankind,  
Save those who on you call;  
Raise up your church, renew our mind  
To do your perfect will,  
To do your perfect will.
